

# PRINCE SANCHELA

Programmer | Developer

## About Me

I am currently pursuing a B.Tech degree in VLSI at SVNIT, with a strong foundation in web development, app development, and Python programming. I possess excellent problem-solving, management, and critical-thinking skills, along with a keen interest in data science and digital marketing. I am beginning my freelancing journey to gain hands-on experience and expand my technical expertise while contributing to impactful, real-world projects.
